All attached special provisions and sketches are considered part of this permit. This Permit Expires in one hundred eighty (180) days from the DATE ISSUED and becomes null and void if work is not completed in that time.

Permission is granted to perform the work as described in the application and subject to the following special conditions.

Special Conditions

A bond in the amount of up to \$500,000.00 is required to insure compliance with the above conditions, refundable upon satisfactory completion of work.

Contacting the Underground Utilities Location Center 1-800-424-555 is the permittee's responsibility and shall be completed (2) working days before proceeding with any excavation associated with this permit.

No work shall be done under this permit until the party or parties to whom it is granted shall have communicated with and received instruction from

Colstrip Public Works Director
